

# Personalized Preschool Haggadah

By Gilat Gastfraind

Variation of the Walder Pavilion's Photo Haggadah (O\_01247)

David Sokoloff's Artwork

**Grade Level:** Early Childhood

**Description:**

A personalized Haggadah that makes learning about the Seder meaningful by incorporating an actual photograph of the student at each stage of the Seder. The Haggadah can be used across different ages by including worksheets that allow the students to reflect in paragraphs and illustrations about each step of the Seder. Available in both boy's version and girl's version.

**Goals/Objectives:**

Students will be familiar with the order of the Pesach Seder. They will be able to differentiate between the steps of the Seder and know the tasks assigned to each step.

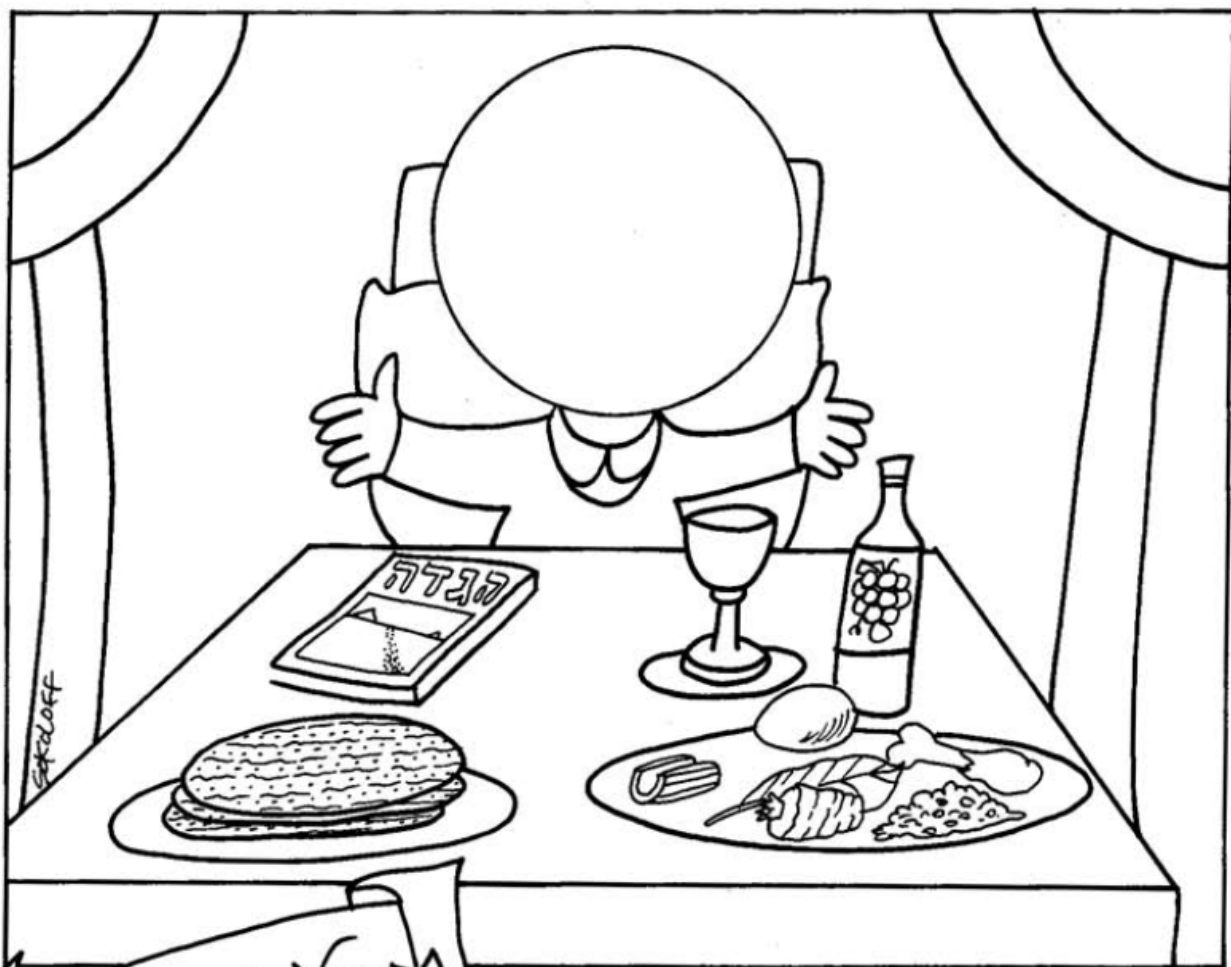

**Materials Needed:**

- Haggadah worksheets (attached)
- 1 picture of the student
- 14 8 ½ x 11 Sheet Protectors
- 1 Folder with 3-hole brass fasteners
- Crayons, markers, and other art supplies
- Scrapbooking paper or wall paper

**Instructions:**

1. Print out the appropriate templates for your students. (There are versions for girls and boys.)
2. Decorate each page to your liking using crayons, markers, embellishments, etc.
3. Frame each page using scrapbook or wall paper.
4. When each page is completed, place it in a sheet protector in the order of Seder. Insert sheet protectors into folder.
5. Decorate cover of Haggadah with crayons, markers, and embellishments.
6. Glue cover of Haggadah to cover of folder.
